Production & Assembly

- Steel & Steel constructions

Double Girder Crane

Technical data

SWL Crane	12.5/3.2t	
Hoist Type	ND04M	NB04L
SWL Hoist	12.5t	3.2t
Lifting height	9m	9.5m
Lifting speed	4/0.67m/min	5/0.83m/min
Span	18m	
FEM / ISO	1Am/M4	2m/M5
Specials	-	
Year of manuf.	2011	

Application

Crane for production of general sheet metal working. Delivered to company NOVI FEROMONT d.o.o. in Croatia.

Double Girder Crane

Technical data

SWL Crane	25t
Hoist Type	NE06M
SWL Hoist	25t
Lifting height	9m
Lifting speed	3.2/0.53m/min
Span	18m
FEM / ISO	2m/M5
Specials	-
Year of manuf.	2007

Application

Cranes for production of rust-free pipes. Delivered to company INOX CENTAR d.o.o. in Croatia.

Production & Assembly

- Machines

Double Girder Crane

Technical data

SWL Crane	30t
Hoist Type	NE06M
SWL Hoist	30t
Lifting height	9m
Lifting speed	2.5/0.42m/min
Span	15.9m
FEM / ISO	1Am/M4
Specials	-
Year of manuf.	2017

Application

Cranes for production of transformers. Delivered to company KONCAR & DST d.d. in Croatia.

Double Girder Crane

Technical data

SWL Crane	70/5t	
Hoist Type	NF28M	NC04L
SWL Hoist	70t	5t
Lifting height	9m	
Lifting speed	2/0.33m/min	5/0.8m/min
Span	14.53m	
FEM / ISO	1Am/M4	2m/M5
Specials	-	
Year of manuf.	2016	

Application

One of several cranes for production and assembling of transformers which are working on three different runway heights in building. Delivered to company KONČAR in .

INDEN  DVIGALA
DIZALICE
KRANOVI

Single Girder Crane

Technical data

SWL Crane	12.5t
Hoist Type	ND04L
SWL Hoist	12.5t
Lifting height	9m
Lifting speed	4/0.67m/min
Span	29m
FEM / ISO	1Am/M4
Specials	-
Year of manuf.	2014

Application

Crane for production in a container factory. Delivered to company JEDINSTVO d.d., producer of mobile homes and office container in Croatia.

Double Girder Crane

Technical data

SWL Crane	320/40t	
Hoist Type	SM1116	NE28M
SWL Hoist	320t	40t
Lifting height	15.5m	15.5m
Lifting speed	2.1m/min	5m/min
Span	21.65m	
FEM / ISO	1Am/M4	
Specials	ESR + Micro-speed	
Year of manuf.	2010	

Application

Crane for production and assembling of transformers. Delivered to company Kolektor Etra Energetski Transformatorji d.o.o, manufacturer of transformers in Slovenia.

Production & Assembly

- Aluminium

Single Girder Cranes

Technical data

SWL Crane	5t
Hoist Type	BC04L
SWL Hoist	5t
Lifting height	9m
Lifting speed	5/0.83m/min
Span	14m
FEM / ISO	2m/M5
Specials	-
Year of manuf.	2016

Application

Cranes for production in an aluminium foundry. Delivered to company METALPRODUCT d.o.o. in Croatia.

Single Girder Crane

Technical data

SWL Crane	10/3.2t	
Hoist Type	ND04L	NB04L
SWL Hoist	10t	3.2t
Lifting height	9m	9.5m
Lifting speed	5/0.83m/min	
Span	18.2m	
FEM / ISO	2m/M5	
Specials	-	
Year of manuf.	2014	

Application

Crane for production in a light metal foundry.
Delivered to company CIAK Group in Croatia.

Production & Assembly

- Stone & Concrete constructions

Double Girder Crane

Technical data

SWL Crane	6.3t
Hoist Type	NFM4V
SWL Hoist	6.3t
Lifting height	3m
Lifting speed	4m/min
Span	9.5m
FEM / ISO	3m/M6
Specials	-
Year of manuf.	2007

Application

Crane with integrated machinery hoist for production of YTONG XELLA products. Delivered to a customer XELLA group, manufacturer of building material and insulations in Slovenia.

Production & Assembly

- Wood & Timber constructions

Single Girder Cranes

Technical data

SWL Crane	15/15t	
Hoist Type	ND06N	NB06N
SWL Hoist	15t	15t
Lifting height	10m	
Lifting speed	5/0.83m/min	
Span	29m	
FEM / ISO	2m/M5	
Specials	-	
Year of manuf.	2014	

Application

Crane for production of big molds. Delivered to company PIB EXTRA d.o.o. in Croatia.

Thermal

Wire Rope Hoist

Technical data

SWL Crane	-
Hoist Type	ND02N
SWL Hoist	6.3t
Lifting height	40m
Lifting speed	8/1.3m/min
Span	-
FEM / ISO	1Am/M4
Specials	curved and lifting height
Year of manuf.	2014

Application

Hoist for maintenance usage on a special curved monorail. Delivered to a coal power plant in Slovenia.

Hydro

Double Girder Crane

Technical data

SWL Crane	130/16t	
Hoist Type	CT2025	NE24M
SWL Hoist	130t	16t
Lifting height	30m	26m
Lifting speed	1.6/0.04m/min	5.0/0.1m/min
Span	13m	
FEM / ISO	1Am/M4	2m/M5
Specials	-	
Year of manuf.	2007	

Application

Crane for maintenance usage in a water power plant. Delivered to a water power plant in BREŽICE, Slovenia.

Double Girder Crane

Technical data

SWL Crane	300t
Hoist Type	SM12
SWL Hoist	300t
Lifting height	86m
Lifting speed	2.1m/min (ESR)
Span	11m
FEM / ISO	1Bm/M3
Specials	ESR + Microspeed
Year of manuf.	2007

Application

Crane for assembling and maintenance of turbines. Delivered to a water power plant in AVČE, Slovenia

Inland Water Terminals

Wire Rope Hoists

Technical data	
SWL Crane	30t
Hoist Type	NE26H
SWL Hoist	30t
Lifting height	21m
Lifting speed	2.5/0.42m/min
Span	-
FEM / ISO	1Am/M4
Specials	Outdoor usage
Year of manuf.	2015

Application

Double girder hoists with special high connection for lifting of tablets on dam, working in tandem. Delivered to a water power plant in BREŽICE, Slovenia.

Customers voice:

why did you chose hoist & crane components of SWF Krantechnik GmbH?

“Tandem operation is fast and easy to implement with NovaMaster”

SWF Partner from Germany

Price-performance ratio, delivery time, quality and technical design were the main reasons why we chose SWF components.

SWF Partner from Germany

“I really appreciate the entire support of the SWF team. Thanks to the competent and friendly support of the different departments, I can easily provide my customers with a comprehensive and fast service in the field of hoisting equipment and crane components”

SWF Partner from Finland

Our customers want efficient, safe hoisting solutions from a solid partner with a reliable background. As a world leader for hoisting equipment, SWF is the ideal partner for our needs. We are proud to cooperate with SWF for over 35 years. That makes us more than just business partners; we are like family.

SWF Partner from Italy

Due to the flexible, standard crane components from SWF, we can easily implement tailor-made crane systems for our customers. Our partnership over the past 20 years has enabled us to grow into one of the leading crane manufacturers in our region.

SWF Partner from Slovenia

SWF has been a very reliable partner for many years. We can offer, install and hand over to all our customers a highly stressable technology. With the service and the very competent SWF employees, we consistently and convincingly contribute the entire component range and comprehensive electrical equipment to our customers' crane construction.

SWF Partner from Germany

Our partnership with SWF Krantechnik enables us to provide customized, powerful hoisting solutions in the Netherlands – and makes both our company and customers more successful!

SWF Partner from Netherlands

SWF creates offers very quickly so we can promptly send a suitable bid to our own clients. In the case of malfunctions, we receive fast support from a highly competent technical team. We have worked together with SWF for many years and are very satisfied with both the company and its products.

SWF Partner from Germany
